

The background of the entire page is a vibrant illustration of a pond. It features several pink water lilies with yellow centers, green lily pads, and tall green reeds with brown seed pods. A large green frog with brown spots and yellow eyes is perched on a lily pad in the bottom left corner. A purple and pink butterfly is also visible on the right side of the pond. The water is a light blue color with white ripples.

Join us for our annual
"Spring Forward For
Amphibians" event in
the Zoo Education
Center on Sunday
March 10th from 1p-3p.
Enjoy free games,
crafts, and activities
for all ages while we
promote amphibian
awareness!
